

MUST ALL PAY UP

Bondsmen Must Square Up for Their Men.

MR. WOLCOTT IS AFTER THEM

Proceedings in One Case Started and Another Will be Begun Soon.

Since Alfred Wolcott has been prosecuting attorney he has kept filed in his office a list of cases in which bail was extorted and the prisoner was not found for the purpose of beginning proceedings against the bondsmen. Mr. Wolcott inherited a large number of these cases. Since he assumed the management of the affairs of the office there have four or five cases accumulated, and Mr. Wolcott has only been waiting to get the criminal cases out of the way to begin action against the bondsmen. He has filed proceedings in one in the circuit court against William T. Powers, who became a fugitive from justice after being arrested for assault and battery, and after giving bail, skipped out.

There will be cases started against A. J. Kridler, who went bail for Darius Cook, against the Newaygo men who went bail for Margaret Cook, against James Doherty and William Leonard, who went bail for Johnnes Silvers, against William Drueke, who went bail for James Pitton in four cases, and Maurice Shanahan, who went bail for John Murphy several years ago, during Mr. McKnight's administration.

Avoid those who suffer from symptoms of liver disease. Beware of those who feel distress in the region of the liver, if your courage is

low, you will be troubled with constipation, dark headache and occasional diarrhea. However's Stomach Bitters will banish those unpleasant symptoms, and should be used early and persistently. The bowels are relaxed without pain or griping, and are not weakened by it as they are by the action of a violent泻ative. Digestion grows more active when it is used, and the system invigorated, because it insures assimilation of the food constituents by the blood. Kidney complaints, malnutrition and rheumatism are overcome by this searching and thorough remedy.

To the Ladies.

There are thousands of ladies throughout the country whose systems are poisoned, and whose blood is in an impure condition from the absorption of impure matter, due to menstrual irregularities. This class are peculiarly sensitized by the wonderful and blood cleansing properties of Prickly Ash, Poke Root and Potassium (P. P. P.). Roots and bounding barks take the place of the sickly look, the lost color of the general wreck of the system by the use of Prickly Ash, Poke Root and Potassium, as hosts of females will testify, and many certificates are in possession of the Company, which they have promised not to publish, and all prove P. P. P. a blessing to womankind.

Capt. J. D. Johnston.

To All Whom it May Concern—I take great pleasure in testifying to the efficient qualities of the popular remedy for eruptions of the skin known as P. P. P. (Prickly Ash, Poke Root and Potassium). I suffered several years with an unsightly and disagreeable eruption on my face, and tried various remedies to remove it, none of which accomplished the object, until this valuable preparation was resorted to. After taking three bottles, in accordance with directions, I am now entirely cured.
